

Dear Parents,

Our next topic is called 'Explorers.' Please help your children to prepare for this topic by helping them to learn some of the key words (in purple) and the facts on this sheet.

There are some homework activities on the back of this sheet. Your child can complete these at any time. Your child's teacher would love to see what they have created, so please send any completed homework into school for us to display.

Thank you for your support.

Kind regards,

Year 1

# Explorers

## Year 1 - Geography/History Unit 4

Amelia wrote three books about her flights and lots of articles for newspapers and magazines.

Her first plane was bright yellow. She called it 'The Canary'.

### Amelia Earhart (pilot)

In 1933, she created a clothing line. Some of these were made from parachute silk or from the fabric used for airplane wings.

In 1937, Earhart took off on a flight to become the first person to fly around the Earth's equator, with her navigator (Fred Noonan). They had travelled 22,000 miles when they disappeared.

#### Key Topic Vocabulary
