Knowledge and Skills Map – P.E – Thinking Skills

EYFS		
Year 1	Year 2	Year 3
<ul style="list-style-type: none"> Identifying strengths in personal performance. Begin to identify personal success. Choose own movements and actions in response to simple tasks e.g., choosing to travel by skipping. Begin to provide simple feedback saying what they liked, or thought was good about someone else's performance. <i>[Introduction; Fundamentals; Yoga; Gymnastics; Ball Skills; Games; Athletics – Sports Day]</i> 		
<ul style="list-style-type: none"> Begin to participate small team games. Begin to describe some basic rules. Show good awareness of space and the actions of others. Watch, describe and comment on what they have seen. Develop ways to score. Make decisions when presented with a simple challenge. Begin to select and apply skills to use in a variety of differing situations. Begin to recall basic information. Begin to start working cohesively with a partner. <i>[Fundamentals; Ball Skills; Gymnastics; Yoga; Net and Wall; Athletics]</i> 	<ul style="list-style-type: none"> Show good awareness of space and the actions of others during games. Use a variety of simple tactics in small-sided games. Describe some basic rules. Begin to watch others and focus on specific actions to improve own skills. Handle apparatus safely and recognise risks involved. Recall basic information. Start working cohesively with a partner. Develop simple tactics. <i>[Ball Skills; Dance; Sending and Receiving; Invasion; Striking and Fielding; Team Building; Athletics – Sports Day]</i> 	<ul style="list-style-type: none"> Show good awareness of space and the actions of others. Use simple rules fairly and extend them to devise their own games. Recognise good performances in themselves and others and use what they have learned to improve their own work. Take part in relay activities remembering when to run and what to do. Recall information. Begin to watch others and focus on specific actions to improve own skills and give feedback to others. Begin to transfer skills between similar activities. Begin to start working cohesively with a small group. Develop simple tactics for attacking and

		defending and ways to score. • [OAA; Gymnastics; Swimming; Tennis; Basketball; Athletics – Sports Day]
--	--	--

Year 4	Year 5	Year 6
---------------	---------------	---------------

Knowledge and Skills Map – P.E –

- Describe their own and others' performance, making simple judgements about the quality of performances and suggesting ways they could be improved.
- Appreciate that rules need to be consistent and fair, using this knowledge to create rules and teach them to others. Work in cooperative groups to use different techniques, speed and effort to meet challenges.
- Handle apparatus safely and recognise risks involved.
- Transfer skills between similar activities.
- Start working cohesively with a small group.
- Choose simple tactics for different situations.
- Compares and comments on other performance and suggests ways in which to improve.
- Understand and apply different skills based on the situation.
- Understand how strength, stamina and speed can be improved by playing games.
- *[Swimming; Dodgeball; Dance; Football; Cricket; Athletics – Sports Day]*

- Know and apply the basic strategic and tactical principles of some games and adapt them to different situations.
- Show good awareness of space and the actions of others.
- Appreciate that rules need to be consistent and fair, using this knowledge to create rules and teach them to others.
- Identify good performances and suggest ideas for practices that will improve their play.
- Work in cooperatives groups to use different techniques, speeds and effort to meet challenges.
- Predict how different activities will affect heart rate, temperature and performance.
- Evaluate a sequence and suggest improvements to speed, direction and level, applying some basic criteria.
- Combine skills from similar activities to build success.
- Begin to start working cohesively with a larger group.
- Know how to contribute when attacking and defending.
- Recognise their own strengths and areas for improvement.
- Makes sound suggestions as to what resources can be used to differentiate a game.
- Understand the need for tactics and begin to use some effectively.
- *[Swimming; Basketball; Hockey; Dance; Athletics; Golf]*

- Understand and choose a range of tactics and strategies for defence and attack.
- With help, devise warm up and cool down activities and justify their choices.
- Appreciate that rules need to be consistent and fair, using this knowledge to create rules and teach them to others.
- Develop their ability to evaluate their own and others' work, and to suggest ways to improve it using appropriate terminology.
- Select and apply appropriate skills from similar activities to build success.
- Start working cohesively with a larger group.
- Reflect and evaluation own performance both as a group and as an individual, while suggesting areas for improvement.
- Recognise and explain their thought process when playing games or completing tasks.
- Understand and use tactics in a game when in different positions.
- Follow the rules of games consistently and honestly.
- *[Swimming; Tag Rugby; Netball; Gymnastics; Volleyball; Rounders; Athletics – Sports Day]*
